PEONIES

ORIENTAL POPPIES

HARDY PHLOX

BOXWOOD (Weller's Hardy Northern Type)

In covering your requirements, we offer the following advantages for your consideration. Our prices are reasonable. Our Peonies have been grown especially for the trade (not for cut flowers). Our Poppies have been grown from cuttings, and our Phlox are grown on good fertile sandy loam soil (not muck). And our plants make Real Roots and are well selected before shipment. No other qualifications are more vital.

WELLER'S SUPREME QUALITY PEONIES

3-5 eyes, plus roots—For Fall, 1938

PINK BEAUTY. Clear mauve-pink, holding its color to the end and lasting twice as long as Miss Lingard. Very fine for cutting.	1.50	12.00

BOXWOOD (Weller's Hardy Northern Type).

During the last twenty years we have developed a Boxwood, originally out of the Sempervirens type, which has proved hardy, not only in this part of the country, but also in sections where otherwise no other Boxwood would ever survive. Three years ago when the thermometer went down to 28 below, our Boxwood showed up fresher than ever in the spring, while in all other sections of the country they were winter-killed. We cleaned up on Boxwood that spring on all salable stock, but we are now coming back with a fair supply of Globe-shaped and bushes for window boxes and hedging. So far we have done nothing to advertise our plants, for the news has traveled so fast that we are still short on our orders every year. But we think that we must make it known to our customers now so that we may obtain a wider distribution for a larger future production.

BOXWOOD (Weller's Hardy Northern Type). Trimmed Globes.

For tubs of ornamental planting.

	Each	Per 10
8-10 inches. B.&B.	\$1.00	\$7.50
10-12 inches. B.&B.	1.25	10.00
12 inches. B.&B.	1.50	12.50
15 inches. B.&B.	1.75	15.00

BOXWOOD (Weller's Hardy Northern Type). Bushform. Without ball.

	Per 10	Per 100
6-8 inches. for hedging.	\$2.00	\$15.00
